CAREER INFORMATION

Level : Experienced (Non - Manager)
Salary : 15,000,000 - 18,000,000 VND
Job type : Full time
Industry : Arts / Creative Design
Location : Vinh Phuc

OBJECTIVES

With over 10 years of experience in marker making and material optimization for large-scale garment manufacturing, I specialize in using Lectra and MTM systems to create efficient fabric markers, reduce material waste, and enhance productivity.

I am seeking a technical role where I can further apply my skills in optimizing bulk and sample markers, coordinating with production teams, and contributing to cost-effective, high-yield cutting solutions for apparel companies.
